| COVERED PERILS                                                                                                                                                                                                                                                                        |                                                                                                           |
| <b>Third-Party Liability</b> — Bodily injury and property damage liability to <b>third parties</b> arising from the operation of the insured vehicle.                                                                                                                                 | <b>Medical Payments</b> — Medical expenses for the policyholder and passengers, up to \$5,000 per person. |
| <b>IMPORTANT:</b> This policy does NOT include comprehensive or collision coverage. Damage to the <b>INSURED VEHICLE</b> from any cause (collision, animal strike, weather, theft, vandalism, fire) is NOT covered under this policy. Only damage to <b>OTHER parties</b> is covered. |                                                                                                           |
