| DESCRIPTION OF INCIDENT<br>On April 15, 2026, while my vehicle (2021 Honda CR-V, silver, VIN 2HKRW2H53MH604817) was parked at the grocery store at 3200 SW Barbur Blvd, Portland, OR, another vehicle reversed into the rear bumper. A witness in the adjacent space saw the incident and provided contact information. The other driver left a note with their insurance details. I returned to find a dent and paint transfer on the rear bumper and a cracked driver-side tail light housing. A police report (#PPB-2026-041521) was filed the same afternoon. Photos were taken at the scene and a repair estimate obtained from Cascade Auto Body on April 16, 2026. The vehicle remains drivable and is parked at my residence. |                                                           |
