POLICY & INCIDENT	
POLICY NUMBER AU-2025-BL-01547	DATE OF INCIDENT 2026-05-02
DESCRIPTION OF INCIDENT On May 2, 2026, at approximately 6:45 AM, I was driving my 2019 Nissan Altima S (Silver, VIN 1N4BL4BV0KC215903) eastbound on SR-520 near the Evergreen Point interchange when a deer suddenly entered the roadway from the right shoulder. I swerved to avoid the animal and lost control on the wet pavement, crossed the center median, and collided head-on with a concrete barrier at approximately 55 mph. The front end of the vehicle was completely crushed on impact — the engine compartment collapsed, both front airbags deployed, the windshield shattered, and the driver-side front wheel assembly was torn from the axle. I was transported by ambulance to EvergreenHealth Medical Center with minor injuries (bruised ribs, lacerations from glass). The vehicle was towed by AAA to Eastside Collision Center, which determined the vehicle is a total loss. A police report was filed at the scene (WSP Incident #WSP-2026-050204). Photographs and the repair estimate from Eastside Collision Center are attached. I am requesting full settlement of the repair estimate.
